## INTRODUCTION TO THE PROJECT ROOM A GROUP EXHIBITION BY 6 EMERGING MALAYSIAN ARTIST

Art is the single burner that naturally fuels KL Lifestyle Art Space (KLAS) and everything that it does. The gallery is devoted to curating and exhibiting the best of Modern and Contemporary Art from the local, regional and international artists and art auctions. KLAS will remain as a commercial gallery unlike any other and continue to be at the forefront of the Malaysian art landscape to engage with art enthusiasts and collectors with its new vast, 6,000 square feet of gallery space that spans across two double split floors.

The ground floor will serve as a permanent space dedicated to the permanent display of artworks by Malaysian and regional masters such as Khalil Ibrahim, Datuk Ibrahim Hussein, Chen Wen Hsi, Datuk Chuah Thean Teng and Yusof Ghani to name a few, exclusive for purchase under Private Sale. The first floor is primarily where art auctions are conducted. Outside the auction calendar, the space is divided into four rooms — Project Room 1 & 2, Project Room 3 and Project Room 4 respectively, for hosting solo and group exhibitions.

# KLAS THE PROJECT ROOM III

A SYAWAL MINI EXHIBITION

17TH MARCH - 30TH MAY 2023

KLAS, 150, JALAN MAAROF BANGSAR, 59200 KUALA LUMPUR.

The 'New Moon' Exhibition (SYAWAL), on the other hand, is an ode to the end of the holy month of Ramadan and the advent of Hari Raya Aidilfitri. The eponymous new moon represents renewal, or more specifically, the start of a new month, according to the Muslim calendar, which has 12 months each of 29 or 30 days. In Islam, the lunar month and the calendar month coincide, and the new moon is eagerly awaited, especially at the end of the month of Ramadan when its sighting means that the celebrations of 'Eid al-Fitr can begin.

The New Moon exhibition embodies the spirit of starting anew and will see the works by three selected artists, namely Nizar Kamal Ariffin, Amir Amin and Fuji Anggara on display at Project Room III @ KLAS. The theme revolving this exhibition will highlight the many facets of Islam, including the artist's ode to the festivities. As a gallery, we take pride in supporting and promoting emerging artists, and this show is a testament to our commitment to the cause. We believe that art is not only a form of self-expression but also a powerful medium that can evoke emotions, challenge ideas, and inspire change. With this exhibition, we hope to provide a platform for these emerging artists to share their unique perspectives and creative visions with a wider audience.

We invite you to join us in this celebration of art and creativity. Whether you are an art enthusiast or a curious visitor, we hope that this exhibition will inspire and captivate you. Thank you for being a part of this exciting journey with us!
